PREFACE

International Conference on Advances in Chemical Engineering (ICACChE)-2015 organized by the Department of Chemical Engineering, Govt. Engineering College (GEC) Trichur is the sub-theme under the umbrella of 'International Conference on Emerging Trends in Engineering, Science and Technology – ICETEST 2015' held at Government Engineering College Trichur, during December 9 – 11, 2015.

ICETEST 2015. GEC Trichur has contributed significantly to the progress of Chemical Engineering in India with thousands of its Alumni going on to become eminent scientists, CEOs, entrepreneurs and top company executives. The department is emerging as the prominent research centres for Chemical Engineering in Kerala.

Advances in Chemical Engineering research have led to revolutionary changes in various facets of our day to day life. International Conference on Advances in Chemical Engineering (ICACChE) 2015 is envisioned as a platform for researchers, academicians and experts from industries to share and discuss the current developments and future prospects of Chemical Engineering.

The Conference Secretariat takes this opportunity to express our sincere thanks to the researchers, practitioners and academicians who have contributed research papers/articles to ICACChE 2015. Once again we extend a warm and hearty welcome to all the delegates and honourable guests of ICACChE 2015 to the Department of Chemical Engineering. We wish all the delegates a fruitful and enriching experience at ICACChE 2015.

Dr. M. S. Manju
Coordinator ICACChE 2015
